

In case you missed it...

TOUCHLESS

01 DE JONG DUKE CONNECTME

If you own a De Jong Duke Virtu, Nio, or Zia you are qualified for the ConnectMe Program. A touchless feature so your employees can create their crafted drinks right off your phone!

\$325/ One-time charge
\$15/ monthly monitoring fee

02 STARBUCKS SERENADE VIRTUALTOUCH

The Starbucks Serenade already portrays the definition of sleek and innovative. Now with their VirtualTouch program, drinks can be made through a simple scan of a QR code, for a hands-free dispense!

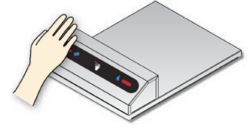

\$370/ One-time charge
\$15/ monthly monitoring fee

*Some restrictions due to model type - contact for more information.

*FOLLET ICE SENSORSAFE

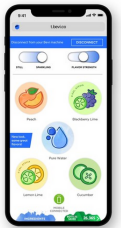

Follet's latest innovation: SensorSafe is incredibly seamless and hands-free and all you have to do is hover over the sensor that is installed directly on top of the system! So simple, so clean. \$299/ One-time charge

04 BEVI TOUCHLESS

The Bevi already had us in awe when they first came out with their custom sparkling water concept, and now you can do the same thing right off your phone! With all the same great features controlled at your fingertips for a clean, touchless approach.

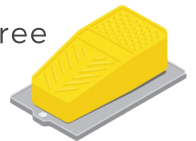

\$75/trip charge
\$15/ monthly monitoring fee

05 *WELLSYS FOOT PEDALS

Wellsys took the term hands-free to a literal concept and developed their foot pedals! Simply dispense water with a slow push to the foot pedal. Now with a single foot pedal for cold water or a dual pedal for hot/cold water or water/ice. Amazing!

\$75/ trip charge
\$40/ per pedal

FREE BioProtectant Solution Service! \$175 value!

Agora's introduction to sanitary services started with the BioProtectant Spray! This solution kills bacteria and viruses within 30 seconds and lasts up to 3 months. This solution is non-toxic making it safe on food contact surfaces, humans and animals.

This service is **FREE** for your office in one of the following ways:

1. Restart your coffee service by 10/31 - Once this solution is sprayed on your systems you don't have to worry about sanitation, plus touchless options!
2. Refer a business to our touchless services!
